SPRING CONVOCATION
2022

JUNE 9 & 10

Dear Graduand,

Your graduation began long before this day.

It began when you made the choice to study that extra hour, dedicate yourself more deeply and strive to reach for the degree you had chosen to fully commit your life to pursuing.

Many of the people that helped you arrive here today are seated beside you—friends, family, classmates— while others are thinking of you from afar.

We are honoured to have given you a place to discover, inspire others and be challenged beyond what you thought was possible.

Yours, UBC

A General Reception will follow each Ceremony in the Courtyard.

The UBC graduation journey has been forged by the spirit of the university's motto, *Tuum Est*, (meaning "it is yours") since 1915. Today, you, the graduating class of 2022, now shape UBC's history by making it your own.

1916

One of the first graduating classes was the Arts Class of 1916 pictured here at a party at the home of Mary Wilons. In UBC's first year, there were only three faculties: Arts, Applied Science and Agriculture with 379 registered students and 34 faculty members.

1920s

The student-led Great Trek to UBC's Point Grey established the university's first campus. The Alma Mater Society (AMS) incorporated as a non-profit society and the university began awarding its first graduate degrees to students. In the *Ubyyssey*, published in September 23, 1925, students described the new campus with a sense of wonder: "We are dazed with the appearance of architectural cleanliness and bewildered by our lineal freedom."

1940s

The forties were an era of tremendous change at the university as both students and faculty embraced the war effort. In 1943, new President Norman MacKenzie began in earnest to expand the university and new departments were formed along with new buildings to house them including Brock Hall and the first student union building. By the 1950s, UBC had established itself as a comprehensive university and top choice for students in BC and beyond.

1960s

Student numbers continued to escalate alongside the scholarly activities that began to define UBC as a leader in research. The campus was alive with sixties counterculture and a sixth president of UBC was elected by the name of Dr. Walter Gage. New student residences were created to respond to the expanding student body as well as a new student union building. Students gained influence at the university and were elected to the University Board of Governors for the first time.

1980s

With over 34,000 students registered at the beginning of the eighties, UBC began attracting scholars from all over the world. Engineering students were in the news frequently for their pranks, which included the famous Ladner Clock Tower stunt in which students pulled off hoisting a white Volkswagen Bug onto the top of the tower. Dr. Martha Piper was elected President in 1997 and ushered in an era of international engagement that saw UBC step onto the world stage as an educator and global centre for research excellence.

2000s

The demand for increased access to post-secondary education led to the official opening of UBC's Okanagan campus in 2005. Student learning opportunities multiplied as UBC expanded to include two major campuses—the Vancouver Campus and the Okanagan Campus.

2022

More than 15,000 students will become the Class of 2022. They will go on to join over 385,000 alumni who have successfully graduated from UBC and continue their journey as treasured members of the UBC community.

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the Convocation ceremonies but also during the installation of a President or Chancellor.

THE UNIVERSITY MACE

The Mace is carried by the 'Macebearer' who leads the Platform Party, which includes the Chancellor, the President and other dignitaries, onto the stage for the Convocation ceremonies.

Created by First Nations artist Sheldon Louis of the Okanagan Indian Band, the University Mace is carved from a single piece of alder wood, and combines Okanagan Nation traditions with university customs. The main artwork on the Mace features three symbolic spirit icons—a mother bear with her two cubs, the image of the mountains, and water—given to UBC Okanagan in 2005 by the Okanagan Nation elders. The spirit icon gifts were selected by a group of First Nation elders, led by Andrew McGinnis, an Okanagan Traditional Medicine Keeper from the Penticton Indian Band, and Victor Antoine, an elder of the Okanagan Indian Band. Each spirit icon was chosen carefully for its special significance to the region, reflecting local Okanagan Nation tradition, culture and knowledge.

The Mace also features a number of university symbols, including the UBC Okanagan logo, the University coat of arms and the UBC motto *Tuum Est - It's Yours*. In addition, the back of the Mace displays the word *Suknaqinx*, which is of the Nsyilxcen language, spoken by the Okanagan's original people. Roughly translated, it means "the ones who stand on the hill and are seen and heard from far away."

The University Mace, which was carved in the shape of a paddle, representing the importance of Okanagan Lake to the region's people, is also inlaid with silver, applied by First Nations silversmith artist Justin Terbasket of the Lower Similkameen Indian Band. The Mace was used for the first time at the 2009 Convocation ceremonies.

THE PROCESSION

Chancellor Steven Point shakes the hand of every student that crosses the stage—that's over 10,000 students each year. This handshake signifies the transition from student to graduate.

REGALIA COLOURS

The hoods, gowns and hats worn by graduates are lined with colours to indicate the degree to be conferred, a tradition dating back to the Middle Ages when the first universities were founded.

THE CHANCELLOR'S OKANAGAN CHAIR

In 2007, UBC's Okanagan campus commissioned the creation of a new Chancellor's chair for use in Okanagan Convocation ceremonies. Handcrafted by master furniture maker Dennis Weidman of Lake Country, BC, the chair was fashioned from cherry wood, a species selected for its significance in the Okanagan's long history as a fruit-growing region.

The chair's front panel features UBC's motto, *Tuum Est*, the UBC logo laser engraved in the headrest panel, and UBC's coat of arms on each side panel.

On behalf of more than 385,000 UBC alumni from around the world, it is my pleasure to bring greetings and congratulations to members of the graduating class.

Indeed, the completion of degree requirements exemplifies intelligence, discipline and resourcefulness. But beyond these traits, my greatest hope is that your university experience has taught you new ways of thinking, and specifically a greater understanding of the importance of reliable evidence in the pursuit of truth and informed opinion.

Irrespective of what program or degree you have completed, you have invariably been asked to examine divergent theories and then present your own conclusions along with evidence to support them. Indeed, the ability to find and present reliable evidence is the most important outcome of a university education.

My challenge to you as UBC graduates is to continue to be truth seekers on the journey ahead, and to continue to refine your research skills as you navigate what may at times seem to be a turbulent world. You may pleasantly discover that these modern challenges can have a unique way of fostering greater measures of much-needed prudence and graciousness. But only if we are relentless

in the pursuit of truth, and of corresponding actions that serve the greater good of humankind. Only then can our spirit and our character truly prevail.

I also encourage you to regard your UBC graduation not as the end of a journey but as the beginning of a new one, as alumni of one of the world's most renowned centres of learning and research. We hope that you remain engaged with your university and your fellow alumni, and that you will work together with them to create a more just, compassionate and sustainable world.

Again, warmest congratulations and best wishes to all.

— THE HONOURABLE STEVEN POINT
(XWĚ LĪ QWĚL TĚL), O.B.C., LL.B.'85,
LL.D.'13
Chancellor

Congratulations! Graduation is a momentous day in your life. It is a time to look back at all you've accomplished and a time to look ahead to what's next.

I hope that when you do look back on your time at UBC, you will do so with fondness, and that when you look ahead, you will see UBC as a part of your future. You will always be welcome here, and we look forward to hearing about your personal and professional achievements as you build on the foundation provided by your UBC degree.

As new graduates, you are joining a large group of remarkable people who have preceded you through this ceremony. Today, the graduates of UBC excel in practically every field of human endeavour. Three graduates have served as Prime Minister of Canada—including the incumbent Justin Trudeau. Seventy-four graduates have been awarded the Rhodes Scholarship. Our alumni include scientists, inventors and entrepreneurs, educators, Olympic medalists, activists, artists, writers and humanitarians. Wherever they may be, our talented graduates are contributing to the wellbeing of their fellow citizens and solving some of the grand challenges that face humanity.

As you begin a new stage in your life and experience, you can be confident that you can and will make a difference, because like the UBC graduates who have gone before you, you possess the knowledge and skills that are conferred by an excellent education.

At every level and in every course you've taken here, you have been exposed to the rigours of critical thinking, to the complexities of problem-solving, and to the need for risk-taking and imagination in the creation of new ideas. You have developed strong communication skills in a variety of media, and learned the value of teamwork and collaboration. You have encountered people and ideas from a wide variety of backgrounds, in the process acquiring a new understanding of cultures and traditions that differ from your own.

As you embark on the next stage of your life's journey, do not be afraid to take up the challenges that await you. You will have many opportunities to turn your hard-earned expertise and knowledge to good use, to become involved in your society, and to offer your ideas and solutions with the confidence that they will be heard and respected.

In his address to UBC's initial graduating class in 1916, UBC's first president, Frank Wesbrook, encouraged students to make our world a better place in which to live. Today, over a century later, I echo his remarks. I believe each of you has the capacity and skill to succeed and make our world a better place.

As you celebrate this transformational day with your family and friends, take a minute to reflect and think forward to the many ways you might help shape the world in the years ahead.

And one more thing. Graduation should never mean goodbye. As Professor Wesbrook also said at that time, *Tuum Est*—it's your university—today and always.

Best wishes,

— SANTA J. ONO
President and Vice-Chancellor

On behalf of the Syilx Okanagan Nation, the *ýil'mix^wm* (Chief's) Welcomes the University of British Columbia's new Graduates, their families, friends and Relations to the 2022 Annual Spring Convocation.

Elders, Chiefs, Board of Governors, Dignitaries, faculty, family, friends, students and the 2022 Graduates, on behalf of the Okanagan Nation Chiefs and our member communities we welcome you to our beautiful Syilx Territory and to UBC's Okanagan Campus Spring Convocation 2022.

We are pleased to extend a special congratulation to all the new UBC Syilx Okanagan Nation Graduates. We are honoured to be part of your Convocation Ceremony. We want to take this opportunity to recognize your achievement. The honouring of one's intellect and acquiring of knowledge are vital to Syilx people. Moreover, learning has always been valued in our communities. Learning and expanding one's understanding is fundamental to one's well-being and community for our survival as a people.

It is also an important part of Syilx customs and community life to conduct ceremonies that acknowledge and award achievement. Even today, announcements are made within the Nation that "this is a day of significance to this person, (family and/or community) and you are all welcome to share in this celebration". Today, we are pleased to mark and celebrate the accomplishments of all 2022 UBC Graduates.

The Syilx Okanagan have always shared through their *nsyilxcen* language, their teaching, their knowledge and their culture with others. It is our responsibility and duty to use these gifts and serve our community. Now as graduates, you too will have this opportunity to share your education. We encourage you to serve your community!

The Okanagan Nation Alliance and UBC remain committed to their new path of partnership and inclusion so that we can all learn to embrace, strengthen and celebrate our diversity. The pursuit of academic excellence will continue to advance and transform our societies. Syilx participation in today's convocation ceremony on our beautiful lands and within the life of this University bodes well for our future and our communities and our country.

We are beautiful
Because we are Okanagan
Because our land is beautiful

The Okanagan Song is based on a traditional song style called skəlmxqin. Skəlmxqin songs belong to the Okanagan/Syilx people collectively. Songs of this style can be sung by any Okanagan/Syilx person using their own phrasing and their own emotion while maintaining the formal rhythm and structure. This song has been called the “Okanagan Song” or the “Okanagan Nation Anthem” because the phrasing and meaning was constructed to celebrate pride in being Okanagan.

Translation of suknaqinx skəlmxqinx

Note: the word ałi translates three separate ways in this song.

GOVERNOR GENERAL'S GOLD MEDAL

The Governor General's Gold Medal is awarded to the student who has achieved the most outstanding academic record as a doctoral or master's student completing a dissertation or thesis. The Gold Medal is presented on behalf of the Governor General of Canada, along with a personalized certificate signed by the Governor General.

This year's recipient is **Dr. Robert Shaw**, graduating with a doctorate in Interdisciplinary Studies. With an impressive academic record throughout his studies, Robert has strived to conduct relevant and impactful research for people living with spinal cord injuries and the organizations that support them. His work is now being used to advance how organizations measure and evaluate the physical and psychosocial outcomes related to peer mentorship. Robert's impact extends beyond the traditional walls of academia and into the community; his leadership and expertise are frequently sought out by local, national and international organizations, and he has an unwavering commitment to examining and resolving pressing societal issues. Students like Robert fulfill our founders' vision of UBC as a place of engagement, critical thinking and relevant, socially impactful research.

Beyond his graduate work, Robert has achieved international recognition as a professional athlete; he is the six-time reigning Canadian Quadriplegic Wheelchair Tennis Champion and represented Canada at the 2020 Tokyo Paralympics.

LIEUTENANT GOVERNOR'S MEDAL

The Lieutenant Governor Medal Program for Inclusion, Democracy and Reconciliation recognizes students who have distinguished themselves through their post-secondary education with outstanding contributions to the promotion of inclusion, democracy or reconciliation.

This year's recipient is **Azzah Al Zahra Farras**, graduating from the Faculty of Arts and Social Sciences with a Bachelor of Arts, Major in Philosophy, Political Science and Economics.

Azzah has demonstrated great passion in drawing attention to injustices and human rights violations. Her spirit of activism propelled Azzah to lead the establishment of the UBCO Chapter of Amnesty International, through which Azzah and her peers hosted conferences and events to bring awareness to and examine a variety of local and international issues. Azzah also coordinated weekly sessions where students could discuss international injustices, creating a safe space for marginalized students to share their stories, keep the campus community informed of different forms of subjugation, and provide opportunities for students to engage in change.

Azzah has also dedicated herself to the promotion of inclusion on campus and in the surrounding community. Through the Muslim Students' Association, Azzah worked to bring greater awareness and understanding of Islam to the wider community. At the Library, Azzah demonstrated great leadership in developing initiatives to highlight diverse voices in literature and academia, and foster a sense of welcome and belonging for marginalized students.

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Welcome, Class of 2022, to your new and honoured place among more than 385,000 UBC alumni in 150 countries. That's a powerful network to help build your life and make a real difference.

Many students don't realize that when you graduate from UBC, you automatically become a member of *alumni UBC* and your relationship with the University enters a whole new phase.

You might be surprised at just who your fellow alumni are, and their levels of accomplishment, influence and contribution to society. No matter where you go, you will find yourself in the company of amazing people who are making a real difference in the world—educators, artists, doctors, nurses, business and community leaders—UBC grads who will be your role models, mentors, colleagues and friends. *alumni UBC* will help you connect through our email updates, website and social networks.

You can participate in our mentoring, cultural, education and career-building programs, here in Kelowna and around the world through alumni networks as far away as London, Hong Kong and Seoul, or as close as Victoria, Calgary and Toronto.

On the Point Grey campus, the Robert H. Lee Alumni Centre is your alumni home for life, where you can make alumni connections, attend events or book your own meetings or celebrations.

Remember our motto: *Tuum Est* ("It is yours"). UBC is still yours.

It will always be yours. So reach out. Stay in touch. Ask for help when you need it. Lend a hand when you can.
