SPRING CONVOCATION  
2023

JUNE 8 & 9

Dear Graduated,

Your graduation began long before this day.

It began when you made the choice to study that extra hour, dedicate yourself more deeply and strive to reach for the degree you had chosen to fully commit your life to pursuing.

Many of the people that helped you arrive here today are seated beside you—friends, family, classmates—while others are thinking of you from afar.

We are honoured to have given you a place to discover, inspire others and be challenged beyond what you thought was possible.

Yours, UBC

The UBC graduation journey has been forged by the spirit of the university's motto, *Tuum Est*, (meaning "it is yours") since 1915. Today, you, the graduating class of 2023, now shape UBC's history by making it your own.

## 1916

One of the first graduating classes was the Arts Class of 1916, pictured here at a party at the home of Mary Wilons. In UBC's first year, there were only three faculties: Arts, Applied Science and Agriculture, with 379 registered students and 34 faculty members.

## 1920s

The twenties saw the student-led Great Trek to UBC's new Point Grey campus, establishing the university as a place where students could help shape a better world. The AMS incorporated as a non-profit society and the university began awarding its first graduate degrees to students. In the *Ubysey*, published in September 23, 1925, students described the new campus with a sense of wonder: "We are dazed with the appearance of architectural cleanliness and bewildered by our lineal freedom."

## 1940s

The forties were an era of tremendous change at the university as both students and faculty embraced the war effort. In 1943, new President Norman MacKenzie began in earnest to expand the university, and new departments were formed along with new buildings to house them. These included Brock Hall, the first student union building. By the 1950s, UBC had established itself as a comprehensive university and top choice for students in BC and beyond.

## 1960s

Student numbers continued to escalate alongside the scholarly activities that began to define UBC as a leader in research. The campus was alive with sixties counterculture, and a sixth president of UBC was elected by the name of Dr. Walter Gage. New student residences were created to respond to the expanding student body, as well as a new student union building. Students gained influence at the university and were elected to the University Board of Governors for the first time.

## 1980s

With over 34,000 students registered at the beginning of the eighties, UBC began attracting scholars from all over the world. Engineering students were in the news frequently for their pranks, which included the famous Ladner Clock Tower stunt, in which students pulled off hoisting a white Volkswagen Bug onto the top of the tower. Dr. Martha Piper was elected President in 1997 and ushered in an era of international engagement that saw UBC step onto the world stage as an educator and global centre for research excellence.

## 2000s

UBC's Okanagan campus was established in 2005 and in September of that year, 3,500 students started classes at the new institution alongside an opening ceremony celebrating the occasion. UBC's welcome in Syilx Okanagan territory was formalized with the signing of a Memorandum of Understanding which pledged to build long-term, collaborative relations.

## 2023

More than 15,000 students will become the Class of 2023. They will go on to join almost 400,000 alumni who have successfully graduated from UBC and continue their journey as treasured members of the UBC community.

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the Convocation ceremonies but also during the installation of a President or Chancellor.

#### THE UNIVERSITY MACE

The Mace is carried by the ‘Macebearer’ who leads the Platform Party, which includes the Chancellor, the President and other dignitaries, onto the stage for the Convocation ceremonies.

Created by First Nations artist Sheldon Louis of the Okanagan Indian Band, the University Mace is carved from a single piece of alder wood, and combines Okanagan Nation traditions with university customs. The main artwork on the Mace features three symbolic spirit icons—a mother bear with her two cubs, the image of the mountains, and water—given to UBC Okanagan in 2005 by the Okanagan Nation elders. The spirit icon gifts were selected by a group of First Nation elders, led by Andrew McGinnis, an Okanagan Traditional Medicine Keeper from the Penticton Indian Band, and Victor Antoine, an elder of the Okanagan Indian Band. Each spirit icon was chosen carefully for its special significance to the region, reflecting local Okanagan Nation tradition, culture and knowledge.

The Mace also features a number of university symbols, including the UBC Okanagan logo, the University coat of arms and the UBC motto *Tuum Est*—It’s Yours. In addition, the back of the Mace displays the word *Suknaqinx*, which is of the Nsyilxcen language, spoken by the Okanagan’s original people. Roughly translated, it means “the ones who stand on the hill and are seen and heard from far away.”

The University Mace, which was carved in the shape of a paddle, representing the importance of Okanagan Lake to the region’s people, is also inlaid with silver, applied by First Nations silversmith artist Justin Terbasket of the Lower Similkameen Indian Band. The Mace was used for the first time at the 2009 Convocation ceremonies.

#### CEREMONIAL REGALIA

The hoods, gowns and hats worn by those participating in the academic ceremonies are lined with colours to indicate the degree they have been conferred, a tradition dating back to the Middle Ages when the first universities were founded.

In 2019, UBC approached the *xʷməθkʷəy̓əm* (Musqueam) and *Syilx* Okanagan Nation to collaborate on a project that would add Indigenous symbols of host nations of each respective campus to the academic regalia of senior administration.

Chrystal Sparrow, a third-generation *xʷməθkʷəy̓əm* artist and carver from the *xʷməθkʷəy̓əm* Indian Band, was selected by a committee with representatives from each campus and host nation, and she designed the new regalia for the Chancellor, members of the Board of Governors and the President and Vice-Chancellor. These new regalia were introduced to the UBC community and worn for the first time at UBC’s fall 2020 academic ceremonies.

#### THE CHANCELLOR’S OKANAGAN CHAIR

In 2007, UBC’s Okanagan campus commissioned the creation of a new Chancellor’s chair for use in Okanagan Convocation ceremonies. Handcrafted by master furniture maker Dennis Weidman of Lake Country, BC, the chair was fashioned from cherry wood, a species selected for its significance in the Okanagan’s long history as a fruit-growing region.

The chair’s front panel features UBC’s motto, *Tuum Est*, the UBC logo laser engraved in the headrest panel, and UBC’s coat of arms on each side panel.

On behalf of more than 385,000 UBC alumni from around the world, it is my pleasure to bring greetings and congratulations to members of the graduating class.

Indeed, the completion of degree requirements exemplifies intelligence, discipline and resourcefulness. But beyond these traits, my greatest hope is that your university experience has taught you new ways of thinking, and specifically a greater understanding of the importance of reliable evidence in the pursuit of truth and informed opinion.

Irrespective of what program or degree you have completed, you have invariably been asked to examine divergent theories and then present your own conclusions along with evidence to support them. Indeed, the ability to find and present reliable evidence is the most important outcome of a university education.

My challenge to you as UBC graduates is to continue to be truth seekers on the journey ahead, and to continue to refine your research skills as you navigate what may at times seem to be a turbulent world. You may pleasantly discover that these modern challenges can have a unique way of fostering greater measures of much-needed prudence and graciousness. But only if we are relentless

in the pursuit of truth, and of corresponding actions that serve the greater good of humankind. Only then can our spirit and our character truly prevail.

I also encourage you to regard your UBC graduation not as the end of a journey but as the beginning of a new one, as alumni of one of the world's most renowned centres of learning and research. We hope that you remain engaged with your university and your fellow alumni, and that you will work together with them to create a more just, compassionate and sustainable world.

Again, warmest congratulations and best wishes to all.

— THE HONOURABLE XWĒ LĪ QWĒI TĀI  
STEVEN POINT, O.B.C., LL.B.'85, LL.D.'13  
*Chancellor*

Congratulations, graduates! Today marks a momentous day in your life. It is a day to reflect on your accomplishments and to look forward to the limitless possibilities that lie ahead.

As you look back on your time at UBC, I hope you feel a sense of pride and joy in all that you have achieved. And as you look to the future, I encourage you to embrace the opportunities that await you with open arms.

You are now part of a remarkable group of individuals who have graduated from this esteemed institution. From Prime Ministers to Rhodes Scholars, our alumni have made significant contributions to society in a wide range of fields.

You too have the knowledge and skills to make a difference in the world. Through critical thinking, problem-solving, risk-taking, and imagination, you have developed the tools necessary to tackle the grand challenges facing humanity.

As you embark on the next stage of your journey, don't be afraid to take on new challenges and seize every opportunity that comes your way. Your hard-earned expertise and knowledge will be invaluable in making a positive impact in your communities and beyond.

Remember the words of UBC's first president, Frank Wesbrook, who urged students to make our world a better place. Today, I echo his sentiments and believe that each and every one of you has the capacity to succeed and make a difference.

As you celebrate this special day, I encourage you to reflect on the many ways you can contribute to the betterment of our world. And know that UBC will always be a part of your journey, as *Tuum Est*—it's your university, today and always.

Congratulations once again, and best of luck on your future endeavors!

— **DEBORAH BUSZARD**  
*Interim President and Vice-Chancellor*

# On behalf of the Syilx Okanagan Nation, the y'ilmix<sup>w</sup>m (Chief's) welcome the University of British Columbia's new Graduates, their families, friends and Relations to the 2023 Annual Spring Convocation.

Elders, Chiefs, Board of Governors, Dignitaries, faculty, family, friends, students and the 2023 Graduates, on behalf of the Okanagan Nation Chiefs and our member communities we welcome you to our beautiful Syilx Territory and to UBC's Okanagan Campus Spring Convocation 2023.

We are pleased to extend a special congratulation to all the new UBC Syilx Okanagan Nation Graduates. We want to take this opportunity to recognize your achievement. The honouring of one's intellect and acquiring of knowledge are vital to Syilx people. Learning has always been valued in our communities. Expanding our understanding is fundamental to well-being, enriches our community, and ensures our survival as a people.

Conducting ceremonies that acknowledge and award achievement is also an important part of Syilx customs and community life. Even today, announcements are made within the Nation sharing that, "This is a day of significance to a person, family, or community and you are all welcome to share in this celebration."

Today, we are pleased to mark and celebrate the accomplishments of all **2023 UBC Graduates**.

The Syilx Okanagan have always shared with others through our nsyilxcn language, teaching, knowledge and culture. It is our responsibility and duty to use these gifts and serve our community. Now as graduates, you too will have this opportunity to share your education. We encourage you to serve your community!

The 2023 UBC Okanagan Convocation Ceremonies mark many accomplishments with the Syilx Nation. We are proud to make special mention of the historic accomplishment of the first cohort of Syilx graduates from the Bachelor of Nsyilxcn Language Fluency program. This is a momentous occasion for the Syilx Nation on our journey of self-determination to reinvigorate and advocate for indigenous languages throughout Turtle Island and here at home. We celebrate these graduates and the University of British Columbia, and look forward to the growing success of this program in the future.

As Chiefs, it is of great importance that we recognize Laḵlaḵtk<sup>w</sup> Dr. Jeannette Armstrong's leadership for the successful delivery of these first graduates from the Nsyilxcn Language program. This moment shows not only her lifelong dedication to the revitalization of Syilx language and culture, but to the whole of the Syilx Okanagan Nation and Salishan speaking peoples.

Along with this, UBC has begun construction on a new building that will become home to important programs such as the Nsyilxcn language fluency and other Indigenous language programs. We look forward to celebrating many more graduates in the years to come. We are proud to have worked with UBC on the plans for the building, an Nsyilxcn name has been chosen for this building and will be shared soon. The name indicates that the building is for the purpose of enlightening and informing each other, creating innovation and all things new. The Okanagan Nation Alliance and UBC remain committed to this new path of partnership and inclusion so that we can all learn to embrace, strengthen and celebrate our diversity. The pursuit of academic excellence will continue to advance and transform our societies. Syilx participation in today's convocation ceremony on our beautiful lands and within the life of this university bodes well for the future of our families, our communities, and our country.

The Okanagan Song is based on a traditional song style called skəlmxqin. Skəlmxqin songs belong to the Okanagan/Syilx people collectively. Songs of this style can be sung by any Okanagan/Syilx person using their own phrasing and their own emotion while maintaining the formal rhythm and structure. This song has been called the "Okanagan Song" or the "Okanagan Nation Anthem" because the phrasing and meaning was constructed to celebrate pride in being Okanagan.

Welcome, Class of 2023, to your new and honoured place among more than 400,000 UBC alumni in 150 countries. That's a powerful network to help build your life and make a real difference.

Many students don't realize that when you graduate from UBC, you automatically become a member of *alumni UBC* and your relationship with the University enters a whole new phase.

You might be surprised at just who your fellow alumni are, and their levels of accomplishment, influence and contribution to society. No matter where you go, you will find yourself in the company of amazing people who are making a real difference in the world—educators, artists, doctors, nurses, business and community leaders—UBC grads who will be your role models, mentors, colleagues and friends. *alumni UBC* will help you connect through our email updates, website and social networks.

You can participate in our mentoring, cultural, education and career-building programs, here in Kelowna and around the world through alumni networks as far away as London, Hong Kong and Seoul, or as close as Vancouver, Calgary and Toronto.

On the Point Grey campus, the Robert H. Lee Alumni Centre is your alumni home for life, where you can make alumni connections, attend events or book your own meetings or celebrations.

Remember our motto: *Tuum Est* ("It is yours"). UBC is still yours.

It will always be yours. So reach out. Stay in touch. Ask for help when you need it. Lend a hand when you can.
